

SAFE ZONE (binding edge)
.375" from the trim
all non bleed items should be within this border

The diagram shows a large rectangular page layout. A blue border is drawn around the page. On the left side, there are three horizontal arrows pointing to the left, each associated with a text label. The top arrow points to a blue line representing the safe zone for the binding edge. The middle arrow points to a blue line representing the safe zone for the left edge. The bottom arrow points to a black line representing the trim and bleed area. A small blue circle is located at the bottom center of the page.

SAFE ZONE
(.25" from the trim)
all non bleed items should be within this border

TRIM & BLEED
all background colors or images should extend past the trim (black border) .0625" on each edge.
